Frequently Asked Questions

PAYMENT METHODS

We advise the **SEPA direct debit payment** for the following countries:

Austria / Belgium / Denmark / Finland / France / Germany / Great Britain / Luxembourg / Netherlands / Norway / Sweden / Switzerland (Euro account only)

WHAT IS SEPA?

We create your invoice the day after we send out the goods.

We withdraw the invoice amount from your bank account either within:

1. 7 days after invoicing, with 2% discount
2. 30 days net

With this payment method, you do not have to worry about making the payment on time. We schedule it for you.

OTHER PAYMENTS

For the other countries the payment methods are:

a) Proforma invoice

You transfer the total amount of the invoice on our account before delivery. It is your responsibility to pay the invoice once received per email: we will keep the items reserved for you for 2 weeks.

After that period of time, we might use the stock for another order.

b) Credit card

We will send you a link for an online payment, where you can fill in your Credit Card details yourself.

All invoices are sent by e-mail.

DELIVERY TIME

You can usually expect your order to be shipped asap (within **2 working days**) after placing an order. This will of course depend on product availability.

On the day of shipment, you will receive a **track&trace number** to follow your delivery.

DROPSHIPMENT

Dropshipment means you only have to display a showroom model in your shop.

If you sell it, we send it directly to your customer's door! So no stock in the shop needed anymore. We ship the order same day before 3PM.

Check on the other side which freight cost and ETA applies to your customer. For this amazing service, **we charge an extra fee of 5€ per shipment.**
